Assuring Amenity At Every Step

ABOUT US

Established in 2016 by Mr. Yogesh Arora and Mr. Rajesh Relhan, who come with decades of industry expertise, Comfort Industries specialises in manufacturing an array of PVC Products for our customers to choose from. Since our inception, we have developed unique and innovative products. Our vertically integrated operations, diversified product range, and strong commitment to ethical operations has resulted in the company growing to become one of India's largest and most preferred PVC mat manufacturer and exporter. Our domestic distributor network has grown its presence to over 25 states.

OUR PEOPLE

We believe our people are our biggest strength. We provide constant learning opportunities and support to all members in the Comfort family that enables them to grow within the industry and reach their full potential. We prioritise creating progressive work environments where innovation and initiative is encouraged amongst teams across our corporate offices and factory units.
